Row: 40: Knit all the way around.

Row 41: knit 2, \*p2 , k2\* repeat from \* all the way around.

Row 42-45: repeat row 41.

Row 46: bind off.

For the thumb hole:

Go to row 21 on the non-cabled side of the glove and pick up 8 stitches, go up a row pick up 2 stitches, go up a row pick up 8 stitches, go down a row pick up 2 stitches, refer to picture. Knit 2 rows, then cut 6 out of the 8 stitches to make a hole, knit for 8 more rows then bind off. For the left hand do the same thing on the opposite side.

There you have it a finished glove set! Please email me at [lukesknitz@gmail.com](mailto:lukesknitz@gmail.com) if you have any questions. Oh! If you have a different way of making the thumb, go ahead and do it your way. This is the way I learned, and it is easiest for me! **Please do not sell the pattern, or copy the pattern that is plagerism, but you may sell the items you make!**

This is to show where to start the pickup.
